pp3-4 below

The Collector of Bellary in his letter No. Roc. 9268/52/A.12 dated 19-4-1953 (copy enclosed) has reported that the area applied for by Sri K. C. Thimma Reddy lies in an unsurveyed hill block of Sandur Forests being under the control of the Forest Department and that the District Forest Officer, Bellary has no objection to the grant of a prospecting licence to the applicant.

Regarding the application of Sri S. Innaiah Reddy, the Collector has reported that the area applied for completely overlaps the area applied for by Sri K.C. Timma Reddy.

As regards the application of Sree Bhuvaneswari Minerals, Hospet, the Collector has reported that the area applied for is the same as applied for by Sri S. Innaiah Reddy.

M

The Collector of Bellary has recommended the grant of a prospecting licence for manganese and iron ores over an extent of 400 acres in the R.M. Block of Sandur Forest to Sri K.C. Thimma Reddy being the prior applicant subject to the usual conditions and rejection of the applications of Sri S. Innaiah Reddy and Sri Bhuvaneswari Minerals Hospet on the ground that correct topo sketches were not submitted along with their application as required by ~~Sub~~ rule 14 (c) of the Mineral Concession Rules 1949. I endorse the recommendation of the Collector.

Sir,

Sub:- Mining- P.L. Sandur Taluk- R.M. Block 400 acres- Iron and Manganese ores- Application ofSri. K.C.Thimma Reddi- Report.

Sri. K.C.Thimma Reddi of Adoni has applied for the grant of a P.L. to prospect for Iron and Manganese ores for a period of two years over an extent of 400 acres in the R.M. Block of Sandur Range. He has remitted the application fee of Rs. 50/- in Ch. No. 217 dated. 18.6.52 of the Bellary Sub-Treasury as required by the M.C. Rules 1949. His application was received in this office on 18.6.52 at 4.30 P.M.

The Tahsildar, Sandur has reported that the area applied for by Sri. K.C.Thimma Reddy is in an unsurveyed hill block of the Sandur forests which are under the control of the Forest Department. The area is not occupied or applied for by any others previously and it does not contain lime stones. The District Forest Officer, Bellary has also recommended the grant of P.L. to the applicant over the area of 400 acres applied for.

The applicant possesses a valid certificate of approval renewed in Govt. Memo. No. 76 Development Department dated. 5.2.53 and he has produced an Income Tax Clearance Certificate issued by the Income Tax Officer, Bellary.

In the above circumstances, I recommend that Sri. K.C. Thimma Reddi may be granted a P.L. for a period of two years to proppect for Iron and Manganese ores over an extent of 400 acres in the R.M. Block of Sandur forests subject to the usual condition.

(D) His application, the chalan for Rs. 50/- and Income Tax Clearance Certificate produced by the applicant and a copy of the sketch showing the area applied for by him are enclosed.

Sri. S.Innaiah Reddy of Bellary has applied for the grant of a P.L. to prospect for Iron and Manganese ores in Malammallappana kolla area of Sandur Taluk- He remitted the application fee of Rs. 50/- in Ch. No. 1957 dated. 18.7.52. The Tahsildar, Sandur reported that the area was pointed to him on ground and that it completely over laps the area applied for by Sri. K.C. Thimma Reddy on 18.6.52. The Tahsildar, Sandur reported that Sri. K.C. Thimma Reddy has priority over the area and therefore the application of Sri. S.Innaiah Reddy may be rejected.

.2.

4

The applicant Sri. S.Innaiah Reddy submitted revised sketches to the Tahsildar, Sandur with his petition dated 5.9.52. The revised sketches fixed the area as different from that of Sri. K.C.Thimma Reddy and it adjoined the area of Sri. Thimma Reddy.

Sri. Bhuvaneswari Minerals Hospet applied for the grant of a P.L. over an extent of 700 acres in Ramghad Range to prospect for Iron, Manganese and Red oxide. They remitted the application fee of Rs. 100/- in Ch. No. 921 dated. 21.8.52. Their application was received in this office on 26.8.52.

The Tahsildar, Sandur has reported that the area was pointed out to him by the applicants and that it is the same area applied on P.L. for 500 acres by Sri. S. Innaiah Reddy as per his revised sketches.

Sri. S.Innaiah Reddy first pointed out the area applied for by him to the Tahsildar, Sandur with reference to his application presented in this office on 25.7.52 and it was the same area applied for by Sri. Thimma Reddy. Thereafter Sri. S.Innaiah Reddy presented revised sketches on 5.9.52 showing the area applied for by him other than the area applied for by Sri. Thimma Reddy. The revised sketches submitted by Sri. Innaiah Reddy are not to be entertained for he meant only the area applied for by Sri. Thimma Reddy while submitting his P.L. application. He further pointed out the area to the Tahsildar, Sandur. When the Tahsildar, Sandur informed him that the area covered by his P.L. application is already covered by the prior application of Sri. K.Thimma Reddy, he proposed some other area adjoining the area applied for by Sri. K.C. Thimma Reddy and submitted revised sketches on 5.9.52 .

Regarding the sketch submitted by Sri. Bhuvaneswari Minerals along with thier application the Tahsildar, Sandur has reported that it is very vague and that he was unable to locate the area on ground. It is only when the representative of the company pointed the area on ground the Tahsildar had to say that the area is the one indicated in the revised sketches of Sri.S Innaiah Reddy. The Tahsildar, Sandur has therefore suggested that both the applications of M/S Sri. Inniah Reddy and Sri. Bhuvaneswari Minerals may be rejected on the ground that correct topo sketches were not submitted along with their applications as required by rule 14 (c) of the M.C. Rules 1949.

In the above circumstances I recommend that the two P.L. of Sri. Innaiah Reddy and Sri. Bhuvaneswari Minerals may be rejected.

Their applications, chalans and sketches indluding one combined sketch are enclosed.
